EquateX does not provide legal, tax nor investment advice and makes no representations as to the tax treatment of plan instruments or the investment returns thereof, neither in general nor in relation to your specific circumstances. Past performance is not necessarily indicative of future performance. You should obtain independent advice on the suitability of the plans and the instruments before investing or transacting.

Tax treatment depends on your individual circumstances and may be subject to change over time. If the currency of a plan instrument or financial service is different from the currency of your domicile country, the return may increase or decrease as a result of currency fluctuations. It is possible that additional costs (including taxes) may be incurred, which are linked to the transactions, the plan instruments and/or the services listed herein and which are not reflected in this document.

If you believe that there is an error or omission in this document, please report it as soon as possible – and in any case no later than 30 days after the date of this document – to the Contact Centre. If you have any questions regarding this document, please contact the Contact Centre or your employer compensation department. You can find the definition of the financial terms used in this document in the glossary located in the 'Explore: Help & Information' section of EquatePlus.
